You could be serving some of the **finest coffees** in the UK...

William Kennedy - recommends **Grafters Cafe and Sandwich Bar**.

Went this morning for some breakfast buns and the staff were fantastic I wondered in a bit early but was welcomed and had a latte while waiting it was lovely one off the best coffees I have had.

Louie Gaffney - recommends **Cool Beans**.

We own a children's play centre in Southport and have recently converted to Cool Beans from Lavazza. The coffee is incredible and so is the hot chocolate. Cool Beans has helped us get a new machine, supporting us all throughout the process. Great company and amazing coffee. 5 STAR

Claire Cross - recommends **Cool Beans**.

Cool Beans supply to our 4 restaurants. Their coffee is amazing and service is always of the highest standard. Would recommend to anyone!! Great selection

John McNish - reviewed **Cool Beans**.

Visited a small bistro in St Annes recently and sampled their coffee, one of the nicest coffee's I've ever had... and I've been to Colombia! Highly recommend this product to any connoisseur! Pow!!

Madeleine Carrington - reviewed **Cool Beans**.

Exceptional service, always there to help. We receive so many compliments on our coffee!! Apparently, we serve the 'best coffee in the area'! Thanks, Cool Beans UK. We are very happy customers.
